

Mankind, Morality, and Marriage

Back to the Beginning

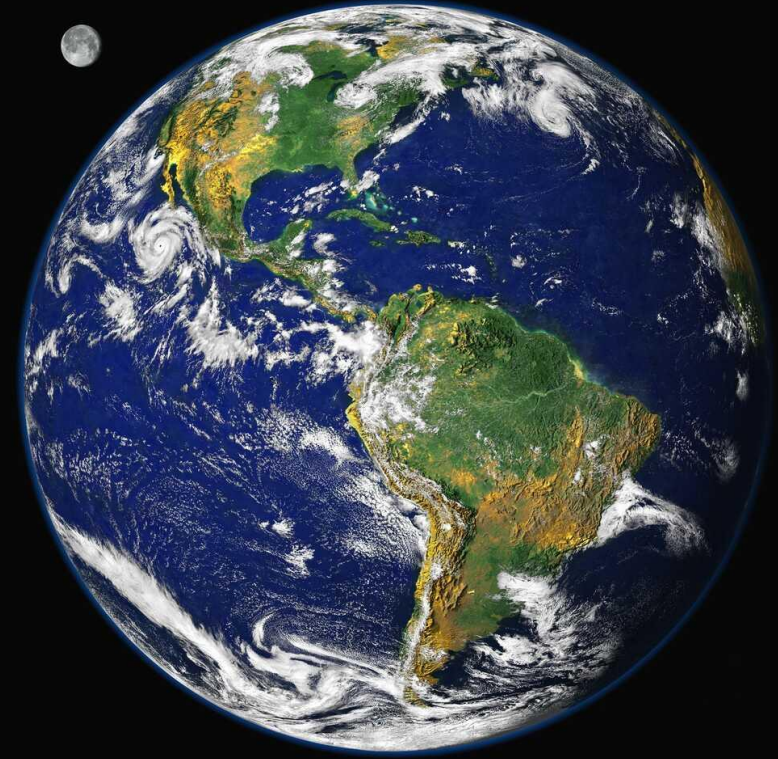

In the Image of God

- Value Others.
- See yourself as you should.
 - You have value.
 - You are responsible for your actions.

Male and Female

- Homosexual behavior is against nature.
Rom. 1:26-27
- Gender is not fluid or self-determined.

Marriage Is the Norm

- It is not required of all.
- Yet, it was the norm from the beginning.
- Children in marriage are to be seen as a blessing. Gen. 1:28; Psa. 127:3-5

Marriage Is to Last

- There is one exception given.
 - *Pornēia* is a specific action.
- The exception is not the rule.

Conclusion

- Let's be sure we return to the beginning and see the implications of divine creation.
- But sin brought about the need for a new beginning in Christ and we want you to have that.
