

Why do we... Believe God Created?

- The Universe Displays Incredible Design
- Creation's alternative explanation, evolution, has numerous challenges

Charles Darwin

Born: February 12, 1809

Died: April 19, 1882

-Developed the ***theory of natural selection***.

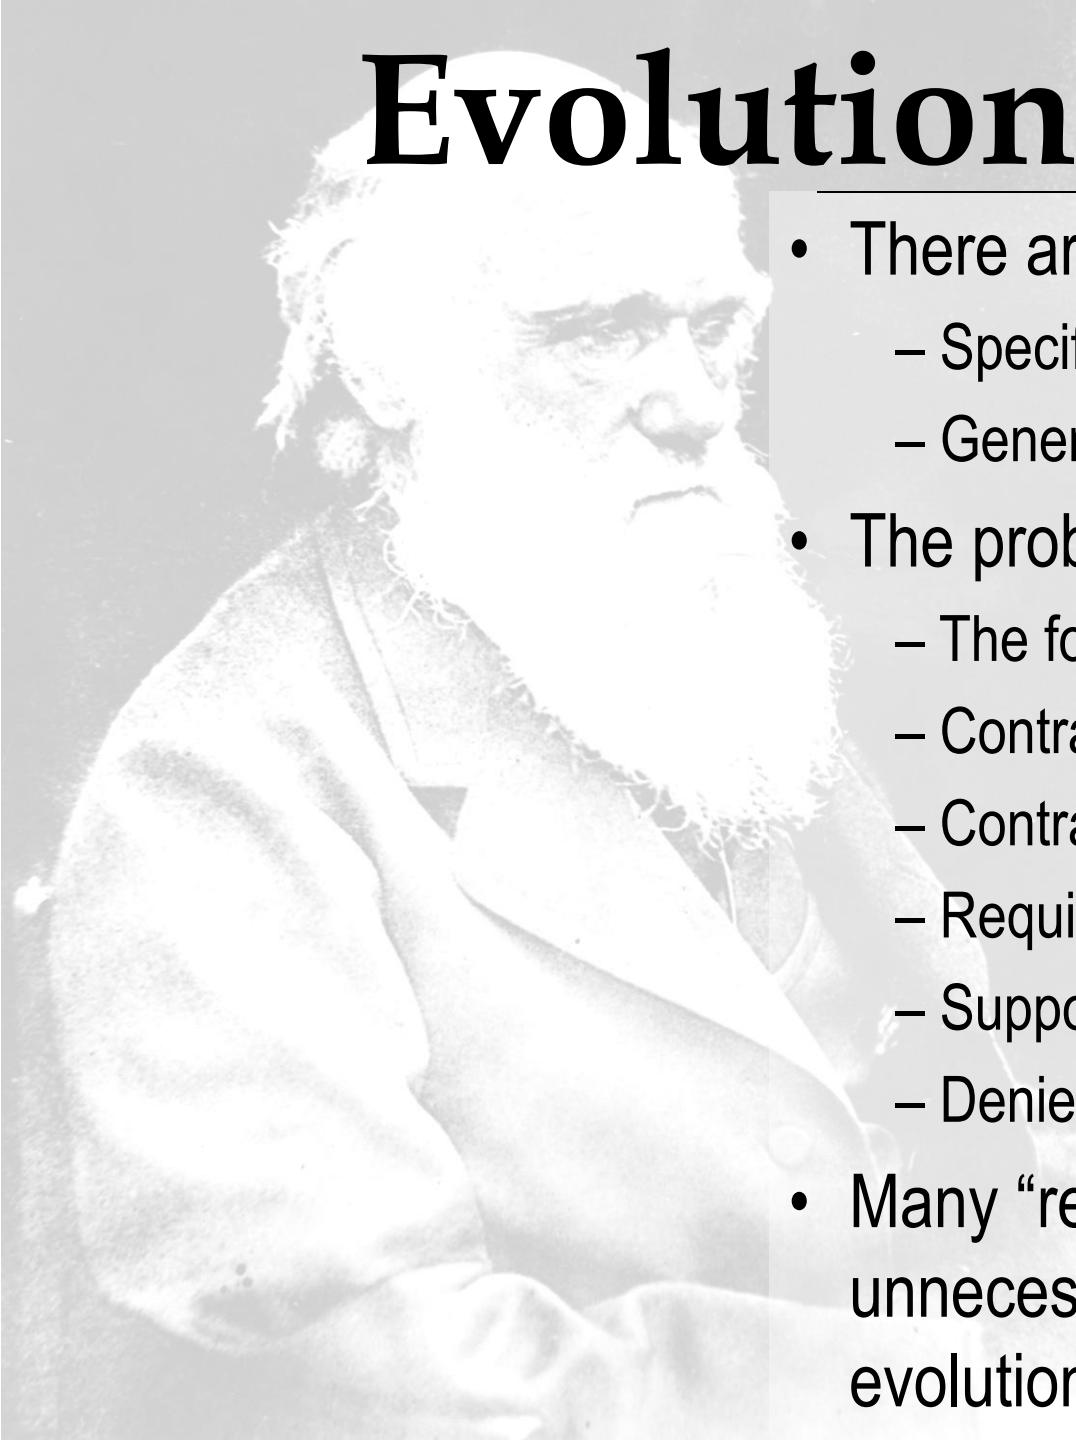

-“Survival of the Fittest”

-"principle by which each slight variation [of a trait], if useful, is preserved"

-***Natural selection*** is presented as means for evolution.

Evolution

- There are two types of evolution
 - Specific evolution
 - General evolution
- The problems with general evolution:
 - The fossil record does not support
 - Contradicts 2nd law of thermodynamics
 - Contradicts law of biogenesis
 - Requires an old earth
 - Supported by numerous hoaxes
 - Denies God
- Many “religious” people have made unnecessary compromises with the evolutionists
