# 2025 Bible Reading Calendar

## 5 Day Bible Reading Program

**Read the entire Bible or just the New Testament in 2025!**

**Completely revised Schedule is easier than ever to complete!**

We have compiled this unique Bible reading system that allows anyone to read the entire Bible in one year by reading five times a week. This five-day format provides room to catch up or to take a day off as needed. Often, people feel overwhelmed for missing a couple days, this system anticipates/understands that things will come up. Many have found that this is a more practical and do-able system. We hope you will join many others that have successfully reached their goal of regular Bible reading using this schedule.

This program has also sought to arrange the readings in a chronologically order. This even includes the Psalms, if at all possible.

Please keep the order of the schedule. For example, if a reading from Chronicles appears before Kings in that day's reading it is intentional to try and keep things in chronological order. You will be amazed at how soon you are deep into the year and still reading your Bible regularly!

God's blessings rest with those who will read, understand, and live by His Word. May this guide help you to that noble end.

*“Thy word is a lamp to my feet, and a light to my path” (Psalms 119:105)*
